BUSINESS LEADERS’ BREAKFAST 2016

“Helping Today’s Youth become Tomorrow’s Leaders!”
LETTER FROM THE COUNCIL PRESIDENT

Dear Friends of Scouting,

Thank you for joining us at our 9th Annual Boy Scouts of America, Greater Los Angeles Area Council Business Leaders’ Breakfast. We are pleased to present our “2016 Business Leader of the Year Award” to Tim Sloan, President and Chief Operating Officer, Wells Fargo & Company.

Tim is a long-time resident of San Marino and a strong Scouting supporter. He served as Assistant Scoutmaster for Troop 355 and is the proud father of two Eagle Scouts, Ben and Andrew. Tim also served on the Board of the Boy Scouts of America, San Gabriel Valley Area Council and was an important part of the Endowment and Investment Committee. Tim knows first-hand the positive impact that Scouting has had on his family and the youth in his community.

Our Business Leaders’ Breakfast is a wonderful opportunity to network with the local business community, while raising awareness for Scouting and recognizing a deserving business leader in the Greater Los Angeles Area. The funds raised today support the youth of our community with a high quality program focused on leadership, character development and important life skills. Positive outside influences and life experiences contribute to the values and beliefs we carry with us throughout our lives.

Scouting teaches our young people to face challenges, manage risks, overcome obstacles and grow up to become strong, resilient and wise. Today’s youth need Scouting and Scouting thanks you for “Helping Today’s Youth Become Tomorrow’s Leaders.”

Thank you for your support and generosity.

Yours in Scouting,

The Boy Scouts of America offers over 135 Merit Badges that enable Scouts to explore a variety of subjects from Entrepreneurship to Plumbing to Woodworking. Sponsoring a Merit Badge helps the youth of our community to be prepared to make the moral and ethical choices written in the Scout Law and Oath.

It’s more than a patch!
The Merit Badge Sponsorship Program provides structured, safe activities that allow youth to grow, explore vocations, develop new skills and create lifelong hobbies. Help guide our youth in a positive and productive direction.

With your support, the Greater Los Angeles Area Council will ensure that youth can continue to register with the Boy Scouts of America, have opportunities to attend summer camp, own their own books and uniforms and enjoy the same activities as other youth involved in mature self-funded programs. Your continuous support makes a difference in every Scout’s life.

Thank you for supporting Scouting’s mission: “Helping Today’s Youth become Tomorrow’s Leaders!”
DOES SCOUTING WORK?

We all know Scouting’s goal is to prepare young people for life, but does it work? Scouting was put to the test over the course of three years, when a research team from Tufts University worked with the Boy Scouts of America’s Cradle of Liberty Council to measure the character attributes of both Scouts and non-Scouts—all with a goal of better understanding the character development of youth as it was happening. The project, which was funded by the John Templeton Foundation and led by Dr. Richard M. Lerner, surveyed nearly 1,800 Cub Scouts and nearly 400 non-Scouts under age 12 using both interviews and survey data. In the beginning, there were no significant differences in character attributes between the two groups. By the end, however, the differences were striking in several areas:

2,000+ Scouts and non-Scouts aged 6-12 from across the Philadelphia area were measured in 6 key areas:

**KEY FINDINGS:**
- The more time kids spend in Scouting, the better the outcomes in character development.
- Those who attend meetings regularly report higher outcomes virtually across the board when compared to Scouts with lower attendance.
- Scouts are more likely to embrace positive social values than non-Scouts.
- Scouts who are more engaged in the program report higher outcomes in nearly every category.

With fun and discovery at every turn, Scouting makes the most of right now. But what’s more, it builds positive character and provides young people a foundation they can stand on to embrace opportunity, overcome obstacles, and make new discoveries.

SCOUTING WORKS.
